Description

- Anti-Rear bits are designed to prevent young horses from rearing while being led and are ideal for Race Day or Sale Yards.
- Loose rings attach to halter with bit clips or straps.
- An Anti-Rear bit head strap can also be used if preferred.
- All accessories are sold separately unless specifically included.

- One Size only: 12.5cm (5") - Cob Size
- Stainless Steel. Produced with a blend of 18% chrome and 8% nickel. The chrome prevents rusting and the nickel adds strength and durability. This product is super strong and is double hand polished.
