### Description

Double Sided Street Pole Banners are perfect for your City Center, Main Street or Landmarks. We specialize in creating signage that harmonizes with historical values. Light Pole Banners turn any street or parking lot light pole into a sponsorship, promotional, decorative or branding opportunity.

Banners are made from high strength 680gsm Polyester/PVC water resistant material. They are sewn double sided and are tear, puncture and fade resistant. The colour printing is deep and vibrant, that will stand up for years outdoor or indoor.

The complete product is very lightweight, easy to carry and installs in minutes!

Each set includes:

- Printed Banner, complete
