Description

stretchX Racing Colours by Gannon's is a new breed of Racing Colours. They are made from ultra-light STRETCH polyester fabric and provide a more tailored/aerodynamic fit.

stretchX Racing Colours are designed for superior performance.

The **stretchX Racing Colours** pedigree consists of:

- Ultra-light stretch polyester fabric
- Breathable with added venting under the arms
- A zip-up front for quick changes between races
- Technologically advanced fabric features - including fast drying and UV protective UPF 50+

The **stretchX cap** is made from the same fabric and features a slimline peak. Each set includes a complimentary satin colour bag, with an illustration of your colours and name at no extra charge.

stretchX Racing Colours are printed in-house using the latest in digital dye sublimation printing technology.
