### Description

Custom Table Cloths give your tradeshow display or marketing event a professional appearance. Our dye-sublimation table throws are sewn in the classic "drape", fitted or stretch. All of our table throws are made from genuine 240gsm crease-resistant polyester and printed using a state-of-the-art sublimation print process - giving the product a brilliant finish with rich colors that command attention.

The product can include any photos, image or text you require.
